Cross-Contamination & Allergen Notice: standard kitchen operations involve shared cooking and preparation areas where cross-contact with other foods and allergens may occur. Cross-contaminants & allergens include, but are not limited to, nuts, beef, poultry, dairy, gluten, etc. The allergen information listed above was prepared based on product information provided by our approved food suppliers and is effective May 2026. Updated versions will be generated periodically. Please note that variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, product assembly at the restaurant level, and/or season of the year. Please understand that normal kitchen operations involve shared preparation and cooking areas, including common fryer oil, which may result in food items coming into contact with other food items. As such, we cannot ensure that any food item can be completely free of allergens. Hot Dog on a Stick Corporation, its franchisees, and employees do not assume responsibility for a particular sensitivity or allergy to any food provided in our restaurants.

Notes:

Vegetarian excludes meat, poultry, fish, and seafood. May contain eggs & dairy.
